

## Dishing with Kathy Casey

### [The New Pearl of Bellevue](#)

There's a "Pearl" of a new restaurant coming to Bellevue's Lincoln Square. And I think it might just get some "west siders" over the bridge!

[Pearl Bar & Dining](#) is set to open its doors November 14. Longtime restaurant professionals Bradley Dickinson and Mikel Rogers have partnered in this new 200-seat restaurant and bar. Executive Chef Dickinson brings local and interesting dishes to the menu such as Dungeness Crab Cake with Local Gala Apples, Shaved Fennel, and Tarragon Dressing; Seared Foie Gras with Spiced Pears and Tayberry Jam with Brioche Toast; and Korobuta Pork Shoulder Braised with Juniper Berries and Jagermeister Splashed Cabbage & Root Veggies... so very fall. Sounds delicious to me!

Pearl opens November 14th.
