Last year when **Pearl Restaurant** held their toy drive, benefiting Eastside Domestic Violence Program, they pulled out all the stops to make it a fun event, with celebrity's, delicious food and drink specials, and this year on December 2nd, 2010, since you've given Pearl two great years of business; this season Pearl is giving back to two great causes!

Pearl Restaurant in Bellevue has one of the best "Happy Hours" and has some Rock'n events and is open on Thanksgiving!

Please join Pearl Restaurant in Bellevue, Washington on December 2nd, from 6 p.m. to midnight in the spirit of giving to benefit **Eastside Domestic Violence**

Program (EDVP) and Overlake Service League for their "**Two Year's, Two Causes**"!

Bring in a toy or donation for the many children in EDVP's homeless shelters. EDVP has provided services to more than 100,000 area victims of domestic violence since 1982, and this year they really need your help!

While at Pearl, please "grab a tag, grant a wish" from its holiday tree to support a family through **Overlake Service League**, an organization helping struggling families and at-risk youth in Bellevue since 1911. As part of this lively and giving to children and families celebration, enjoy half off signature cocktails, glass wine pours, and small plates all night long!
